
SOUTH EAST DISTRICT OF THE FLORIDA CONFERENCE UNITED WOMEN IN FAITH

News Brief

DID YOU KNOW?

April 2024

OUR PURPOSE:

We are a community of women whose purpose is to know God and to experience freedom as whole persons through Jesus Christ; to develop a creative, supportive fellowship; and to expand concepts of mission through participation in the global ministries of the church.

OUR MISSION:

To connect and nurture women through Christian spiritual formation, leadership development, creative fellowship, and education so that they can inspire, influence, and impact local and global communities.

- The South East District Leadership Development Day on January 20th, hosted by our Norland unit was a great success. Many local unit leaders attended from across our district and received information from their district counterparts on policies, procedures, and forms necessary to effectively lead a successful unit. Special thanks to the ladies of Norland for being such gracious and generous hosts!
- A very special welcome to a new unit joining us from Okeechobee, Florida. Welcome Okeechobee UWFaith members to the South East District! We are so happy that you are now a part of our sisterhood.
- Our South East District UWFaith Climate Justice Work Day has a new date. It will be on June 15th at Carol City UMC. Plan to join us for planting, mulching, pruning, and lots of good, active fun! An updated district calendar is attached and also available on our district website.
- A 2024 Checklist for Annual Meeting has been prepared and is attached. Unit presidents, please complete it with attachments requested and send them in now. The Checklist with attached forms record your unit's activities from **2023**, so there is no reason to wait until fall to submit them right before our Annual Meeting. And remember that all forms are available and downloadable on our district website.
- All of our South East District units have exciting things happening in 2024. Share your Unit's activities and photos with us throughout the year at presidentse.umw@gmail.com You might see yourself on our website!
